WARRANTY CLAIMS

- ❖ The warranty claim only applies to defects that have arisen solely from faulty materials or workmanship in the Products
- ❖ And **does not** apply to other defects which have arisen as a result of the following: accidental damage, abuse, misuse, maltreatment, abnormal stress or strain, harsh or adverse conditions, including excessive water pressure, temperature or neglect of any kind. Alterations and repairs of the Products will void the warranty.
- ❖ The warranty period commences from the date of purchase or for new buildings from the date of handover for the periods stated in the warranty periods table.
- ❖ The warranty applies only to the original owner and it is not transferable.
- ❖ Any parts and products that have been reissued are not covered by the warranty.
- ❖ NZHomeware reserves the right to amend, improve and or change any or all products at any time.
- ❖ Where a product is covered by a part only warranty, the warranty covers the repair or replacement with spare part of the defective part and does not include the removal of defective part or the installation of the replacement part or product.
- ❖ NZHomeware shall in no way be liable to the Purchaser/Claimant or end user of product for any loss, damage (direct, indirect or consequential), cost or expense suffered or incurred by that person (including, without limitation, any damage and/or labour charges incurred in installation, repair or replacement), other than as provided in the above provisions, under any relevant consumer protection legislation or as consented to by NZHomeware in writing in advance.

- **NZHomeware requires adequate access to Product, fittings and fixtures to undertake warranty repairs.**
- **NZHomeware will not be responsible for any consequential damage or costs where adequate access to product fittings is not accessible.**
